CENTRE FOR ENRICHED LEARNING

Sentrum vir Verrykende Leer/ Centre for Enriched Learning

Stellenberg High School launched a new initiative in 2022: **The Centre for Enriched Learning (CEL)**. The aim of this initiative is to provide our learners with an opportunity to enhance their learning experience at school. The additional enrichment courses will teach the learners valuable skills that will help to prepare them for life after school.

Hierdie leersentrum (SVL), wat vanuit die i-Hub bedryf word, se doel is om vir ons leerders 'n holistiese leerervaring te bied met kursusse en opleiding wat hulle akademies verryk. Daar word elke kwartaal 'n verskeidenheid kursusse (teen minimale koste) deur kenners aangebied.

Learners may choose from a variety of courses such as:

- * Web Development
- * Java Coding
- * Game Design
- * Leer- en studievaardighede
- * Skryfkursusse
- * Copywriting, editing and proofreading
- * Art Courses
- * Pottery classes
- * Needlework, pattern and clothing design
- * Jewelry-making courses
- * Learner Licence Classes
- * SORA-Stellenberg Boekklub

The **Stellenberg Learner Support Initiative** is a crucial part of the way that we support our learners. The LSI provides additional academic support. Many subject teams offer remedial classes to help the learners cope with various academic challenges. We also provide a list of skilled tutors that we can recommend to help your child with their academic needs.

Die Leerderondersteuningseenheid identifiseer leeraspekte wat spesifieke aandag en vaslegging benodig en help leerders om kernvaardighede vas te lê. Skandeer gerus die matriksstaafkode (QR code) hieronder vir spesifieke inligting en kontakbesonderhede van eksterne tutors.

If you need more information or advice pertaining to the LSI or CEL, please send an email to: rensleigh@stellenberg.org.za.

As ons hande vat, sal ons die beste geleentheid vir ons leerders kan skeep!

Stellenberg Nasorgsentrum:

Die Nasorgsentrum bied 'n veilige en gerieflike omgewing waar leerders na skool, onder toesig, kan studeer, huiswerk doen en take voltooi. Die bekwame nasorgdames moedig die leerders aan om elke dag se werk getrou te voltooi, by buitemuurse aktiwiteite in te skakel en natuurlik, nuwe vriende te maak.

This initiative is an affordable solution for parents who work late.

Full time (10 months): R530 per learner per month (10 months)

Part time: R35 per learner per afternoon

There is also 'n kitchenette available to warm up food.

Koffie, tee en aanmaakkoeldrank is gratis beskikbaar. Kontak gerus die skool indien u meer inligting verlang of stuur 'n e-pos aan mev. J. Snyman (jsnyman999@gmail.com).
