ANSBACH EXCHANGE

2025

One of the most exciting adventures that our learners can embark on is the Ansbach exchange! During the June/July holiday, a handful of Grade 11 learners travelled to Germany, where they experienced a culture in complete contrast to their own.

Hannah Brandt shared the following about their exciting excursions: “While we were in Ansbach, we went to school with our partners. We met the mayor of Ansbach, as well as the Costa Ricans [who] were on [an] exchange too. In Nuremburg, we went to a castle, a church, and the Museum of the Future where we saw a robot called Ameca.”

Izabella Serra shared a different perspective: “I enjoyed the architecture in Bavaria a lot, especially the churches, which are full of gold and many statues. [...] The food in Germany was also delicious. Many said that it is similar to South African food, but I disagree as it tasted much healthier and the portions were a lot larger. My favourites were the Bratwurst and the Apfelschorle.”

Luan Strydom had a short but sweet answer: “With the help of my host family, I improved on my German. There is so much to say about this amazing experience, but over all, it was completely life changing and I will never forget it.”

Kiara Bauer het 'n wonderlike stukkie in Afrikaans geskryf, waarvan die volgende besonders mooi was: “Die twee weke in Ansbach was wonderlik en onvergeetlik. Die ervaring wat ek opgedoen het, het my beslis meer selfstandig laat voel en ek sal verseker weer Ansbach wil besoek.”

Ben Krensel also kept his message short and sweet, but he made a wonderful point: “The exchange fosters international friendships.”

It is no surprise that the Stellenberg learners had a wonderful experience in Ansbach. The learners improved their German skills, made friends they otherwise would not have, and experienced a culture beyond their own.

GRUNGE COUTURE

GRUNGE COUTURE: A Daring Celebration of Eco-Fashion and African Renaissance

In 'n kragtige samesmelting van volhoubaarheid, kreatiwiteit en kulturele herlewering, het die jaarlikse Grunge Couture Eko-modeparade op 6 Augustus in kleur, tekstuur en uitdagende visie ontplof.

Held under the provocative and relevant theme “**African Renaissance**”, the runway became a moving gallery of recycled brilliance, with young Design learners from Stellenberg High School leading the charge.

This was not only a fashion show – it was a *movement*...

Spearheaded by learners from Grades 10 to 12, the showcase challenged fast fashion with an unapologetic attitude and fierce artistic conviction. The garments, constructed from upcycled and found materials, embodied the bold spirit of Africa's rebirth - where heritage meets innovation, and tradition is reimaged through a contemporary lens.

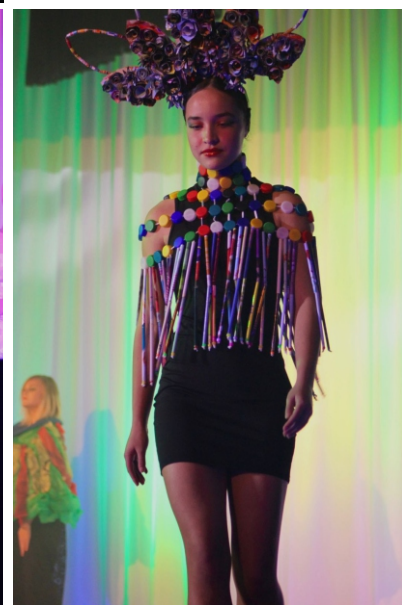

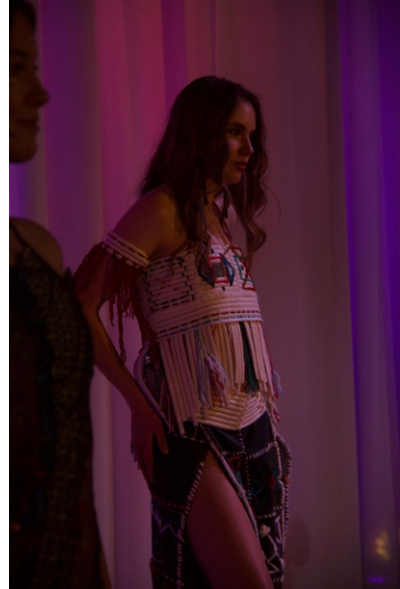

Die geleentheid is afgesluit met die aankondiging van die skool se toponwerpers vir die jaar - elkeen vereer vir hul oorspronklikheid, vakmanskap en interpretasie van Afrika Renaissance deur middel van volhoubare ontwerp:

- **Graad 10: Isabella Swartz** het die gehoor verstom met 'n visionêre samestelling van herwonne materiale wat Afrika se ruwe skoonheid en jeugdige opstandigheid uitbeeld.
- **Grade 11: Amber Reece Duncker-Smith** captivated the audience with a soulful ballroom dress that married raw textures and delicate paper fans. Her layered designs told a story of ancestral wisdom rising from post-consumer waste into wearable art.
- **Grade 12: Emile Lamour** commanded the spotlight with a regal, gender-fluid surreal ensemble that evoked the power of ancient African royalty. Using white plastic that imitated weaving techniques and leather, as well as hot glue that imitated pearls, Lamour's work was both statement and symbol - calling for a future rooted in dignity, identity and ecological awareness.

Elke steek het vermorsing uitgedaag. Elke silhoeët het skoonheid herskep. In elke ontwerp het die polsslag van 'n vasteland weerklink - 'n vasteland wat met trots en doelgerigtheid vibreer.

Die leerders is nie net geloof vir hul tegniese vaardigheid nie, maar ook vir hul diep bewustheid van omgewingskwessies en kulturele relevansie. Hulle is nie bloot modeontwerpers nie. Hulle is visionêre denkers. Storievertellers. Aktiviste. Hulle *is* die toekoms van Afrika-ontwerp.

As the final model exited the runway to a standing ovation, one thing was clear: Grunge Couture is no longer just an annual event – it is a revolution. And in the hands of these fearless young talents, the African Renaissance is not just an echo from the past. It is *now*. It is *loud*. It is *unstoppable*.

ENGLISH OLYMPIAD

This year we had eleven entries for the English Olympiad. Our top achiever was Lydia Bower, in Grade 12. Zeta October in Grade 11 was a close contender. In total, we achieved one Merit, five Bronze, three Silver and two Gold awards. Well done, Stellies!

RECYCLING PROJECT

Instilling a Culture of Recycling at Stellenberg

Our recycling project is steadily growing, and this year it has taken on new energy under the guardianship of the class monitors. More than simply keeping waste under control, their role is to encourage mindful consumerism and to nurture a spirit of responsibility among learners. While some may debate the wider impact of recycling, our school's main aim is clear: to raise mindful young South Africans who think beyond their immediate needs and consider their role in the bigger picture. Small actions, when taken together, can spark meaningful change.

To make recycling practical, every class is equipped with separate bins, and learners are encouraged to dispose of wet waste properly. We are especially excited about our pilot project with bokashi composting, currently running in the cafeteria and staffroom. Our vision is to roll this out across the school, allowing learners to take an active part. Once fully established, the compost will be donated to *Ladles of Love*, extending our impact beyond the school gates.

We are also proud to be partnering with Waste Cartel, who assists with sorting and collection. This system not only ensures proper recycling but also turns correctly-sorted waste into monetary value for the school.

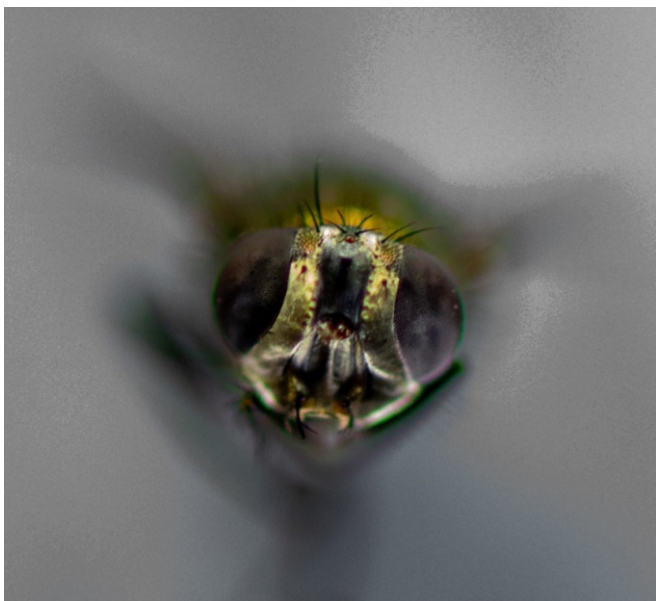

This year, our Interschools tradition of decorating with plastic wrap banners was given a new twist. Instead of sending the non-recyclable plastic to landfill, class monitors worked together to create Eco-bricks. These will be donated at the *Two Oceans Aquarium* collection point, ensuring that even stubborn plastic waste has a meaningful second life.

The project has also expanded to include community engagement. Learners and families are invited to make their own eco-bricks at home, while our admin class competition encourages the collection of bread tags and plastic bottle tops. These small, consistent efforts remind us that sustainability is not just a project—it is a culture we are building together.

PHOTOGRAPHY CLUB

The Photography Club had an exciting year exploring monthly themes, with winners selected by professional photographers. We were privileged to have guest judges Irma Ferreira (Sports Photography), Radcliffe Roelse (Portraiture) and Kobus “Red Beard” (Black & White) guide and inspire our learners. A highlight of the year was matric learner **Amy Feben Bimerew**'s outstanding achievement, winning her category at the **TIE 2025**. We look forward to continuing to train our members to capture life at Stellenberg and to contribute their creativity to the school's social media and marketing.

We are very proud of every member of the Stellenberg Archery Team, who performed exceptionally well at the annual provincial competition.

Gedurende die jaarlikse Interskole teen die Hoërskool Durbanville, was ons weereens die oorwinnaars en het met die beker huis toe gekom! Geluk Stellies!

HOKKIE

2025 was 'n jaar vol welslae vir Stellenberg se Premier-hokkiemeisies. Hulle het die jaar afgeskop met 'n 'capping'-seremonie vir die graad 12-leerlinge, Helen de Kock (kapt.); Minke Lourens (o.kapt.) en Ilke van der Merwe, wat vir die 100ste keer vir die eerste span uitgedraf het.

Stellies se Premier-hokkiemeisies het daarna aan die o.19-Grand Challenge-liga deelgeneem en vir die tweede opeenvolgende jaar met die beker weggestap. Die Prem-meisies was boonop die enigste span in die liga wat geen van hulle wedstryde verloor het nie.

Hoofafrigter Pauline de Bruin is veral trots dat die Premier-hokkiemeisies wat nou hoër op die nasionale rangleer beweeg. Waar hulle aan die begin van 2024 22ste op die rangleer was, is hulle nou die 13de-geplaasde meisieshokkiespan in die land.

Bea van den Berg (graad 10) en Miri Klopper (graad 11) het die jaar afgesluit met hulle eie honderdtal-seremonie – voorwaar 'n prestasie gegewe hulle ouderdomme. Buiten Helen de Kock, Minke Lourens en Ilke van der Merwe, groet ons ook vir Lenae Wessels en Stephanie Lloyd wat vanjaar matrikuleer.

MARIMBA BANDS

Marimba Bands Dazzle at Tygerberg International Eisteddfod '25

For the very first time, both the Stellenberg Junior and Senior Marimba Bands lit up the stage at the Tygerberg International Eisteddfod on Saturday, 23 August, hosted at The Settlers High School. Die Junior marimba-orkester het met geesdrif en entoesiasme in die beginner-kategorie deelgeneem, terwyl die Senior-orkester hul ongelooflike talent in die intermediêre-kategorie ten toon gestel het. Their hard work and passion paid off: the Junior Band impressed with a brilliant 84%, while the Senior Band wowed the adjudicator with an outstanding 93%. Ons is ongelooflik trots op hierdie besonderse prestasies – 'n ware viering van musiek, spanwerk en Stellenberg-gees!

Die Stellenberg Meisieskoor het die afgelope kwartaal uitstekend presteer. Die SMK het einde Julie na Pretoria gereis om aan die finaal van die ATKV Applous kompetisie deel te neem. Hulle is vanjaar as die beste meisieskoor in die land aangewys, 'n prestasie wat hulle vanjaar vir die 21ste keer behaal het.

In September, the choir participated in the final of the Tygerberg International Eisteddfod's Choir Gala. The best choirs from across the Western Cape were invited to perform at this competition, and we are very proud of the SMK who was crowned as the best girls' choir.

Die sukses van ons meisieskoor is te danke aan ons meisies se toewyding, die ouers se ondersteuning, die personeel se hulp en natuurlik grootliks danksy die bekwame leiding van ons koorleier, André van der Merwe.

MUSIC DEPARTMENT

Quinn Goliath, one of our Grade 10 music pupils, has accomplished amazing achievements in Term 3. He participated in the Yamaha Young Soloist Music Competition and came out on top as the nationwide winner of the Classical Intermediate Section. He continued his success by winning the Junior Section for wind instruments at the Johann Vos Music Competition, held at the Hugo Lambrechts Music Centre. Well done, Quinn!

Sara-Anne Coetsee was invited to perform as a soloist at the Hugo Lambrechts Music Centre's annual Concerto Festival. This festival has become a highlight in the annual classical music calendar and features the best classical youth musicians in the Western Cape. Well done, Sara-Anne!

TONEEL

Toneel 2025 was beslis een vir die boeke! Stelliestoneel spog met twee uiteenlopende groepe wat kwessies aanspreek en hartsnare roer.

This year, learners had the opportunity to take part in five different competitions, including two national events: *Pronk Podium* and *ATKV Tienertoneel*. The last competition took place on Saturday, 27 September 2025, at Bastion's *Silwervaringfees*.

Toneel se harde werk is by die afgelope paar kompetisies met 'n rekordgetal van 41 brons, 19 silwer, 9 goue sertifikate en 3 nominasies beloon!

Congratulations to Annerie Lategan (Gr. 9), Lize Jurgens (Gr. 9), Heidi van Zijl (Gr. 10), and Danelle Smit (Gr.10) who received a silver certificate for their set design for *Ingesluk* at the *ATKV Tienertoneelkompetisie*, one of the biggest national competitions.

Ons is ook baie opgewonde oor Elizabeth Cillié (gr. 12) wat by die *ATKV Tienertoneelkompetisie* raakgesien is vir haar opwindende klankbaanontwerp vir *Ingesluk* en 'n silwer sertifikaat ontvang het, asook Kyle Robertson (gr. 10) en Lisa-Marie Louw (gr. 10) wat by die *ATKV Tienertoneelkompetisie* vir hul beligtingsontwerp en -hantering silwer sertifikate ontvang het.

Kaylen Ferreira het hierdie kwartaal by die *PlayHouse Drama Festival* en die *Montague Jeugtoneelfees* met 'n nominasie wegstap vir haar betowerende toneelspel in *Vir Jou*. Die hele geselskap van *Vir Jou* is by die *PlayHouse Drama Festival* as beste geselskap aangewys. *Vir Jou* ontvang hier ook 'n sertifikaat vir beste regie.

We are extremely proud of the growing Drama society, that has shown that hard work and determination can open doors to friendships and lifelong memories that far surpass any achievement.

TYGERBERG INTERNATIONAL EISTEDDFOD

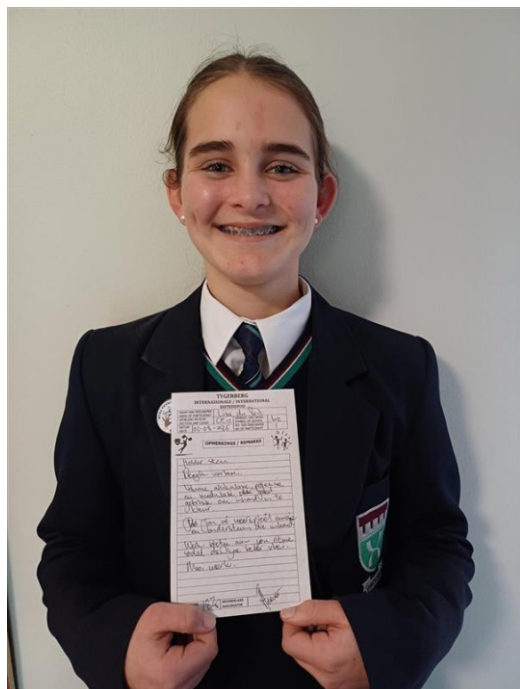

Stellies shone at this year's Tygerberg International Eisteddfod (TIE) events, impressing judges with their outstanding performances and dedication to the arts. The event showcased exceptional talent through various categories, including music, dance, drama, photography, creative writing and more!

74 Stellies het geoefen dat die note spat en die penne stoom ter voorbereiding vir die 190 kategorieë waarin hulle hulself laat uitblink het. 'n Spesiale gelukwensing aan Marko van Wyk met sy engelstem-prestasie van 95% vir sy sangitem en Willow Oaker wat 95% vir haar Kreatiewe Skryfwerk ontvang het. Ons is baie opgewonde oor die Stellies Dance Crew wat as kategoriewenners wegdans.

We would also like to congratulate Feben Bimerew, who has been named as the category winner for Gr. 12 Photography (Own Choice – Monochrome). Many of our learners have excelled and achieved great results and we would like to applaud our trophy winners:

ALLAN GRAY ENTREPRENEURSHIP CHALLENGE

Stellenberg High Celebrates Entrepreneurial Success

In a groundbreaking achievement that highlights Stellenberg High School's commitment to fostering innovative business minds, students Liam Heunis and Nehan Wessels have emerged among the Top 10 finalists in the prestigious 2025 Allan Gray Entrepreneurship Challenge. This remarkable accomplishment, achieved while competing against more than 7,000 participants from across South Africa, demonstrates the exceptional calibre of entrepreneurial talent being developed at our institution.

Hierdie twee uitblinker-entrepreneurs van die Hoërskool Stellenberg het hulself onderskei deur hul innoverende denke, strategiese beplanning en deeglike begrip van moderne besigheidspraktyke. Hul prestasie het nie net die aandag van die beoordelaars getrek nie, maar het hul ook 'n spesiale uitnodiging na die nasionale prysuitdeling op 4 Oktober in Sandton besorg. Tydens hierdie spoggeleentheid is hierdie twee jong entrepreneurs vir hul harde werk, toewyding en besigheidsvernuf, beloon. Nehan verwerf 'n vyfde plek nasionaal en Liam maak ons trots met sy vierde plek in die land.

The challenge, known for its rigorous testing of business shrewdness and innovative thinking, pushed participants to their limits through various real-world scenarios and complex problem-solving exercises. Our students' success in this demanding competition speaks volumes about the quality of education and practical business training provided at Stellenberg High School, as well as the dedication of our teaching staff in preparing students for real-world challenges.

Verdere erkenning moet gegee word aan Daniël Murray, Marnus de Wit en Dewald Leuvennink, wat ook uitsonderlike talent en deursettingsvermoë gedurende die uitdaging getoon het. Hul deelname en prestasie het bygedra tot die skool se indrukwekkende algehele vertoning in hierdie nasionale kompetisie, wat Stellenberg se reputasie as 'n kweekplek vir toekomstige sakeleiers verder versterk.

This achievement not only celebrates individual excellence but also reinforces Stellenberg High School's position as a leading institution in entrepreneurship education. The success of our students in such a prestigious national competition serves as inspiration for current and future students, demonstrating that with dedication, innovation and proper guidance, they too can achieve remarkable success in the business world.

Die impak van hierdie prestasie strek verder as die onmiddellike erkenning - dit dien as 'n baken van inspirasie vir ander studente en bevestig die waarde van ons skool se fokus op entrepreneurskap-opvoeding. Die sukses van hierdie jong entrepreneurs wys dat Stellenberg werklik daarin slaag om studente voor te berei vir die uitdagings en geleenthede wat die moderne sakewêreld bied.

Looking ahead, this achievement sets a new benchmark for excellence in entrepreneurship education at Stellenberg High School. We remain committed to nurturing the next generation of business leaders, innovators, and entrepreneurs who will shape South Africa's economic future.

JSE INVESTEMENT CHALLENGE

Hoërskool Stellenberg vier tans die merkwaardige prestasie van die skool se vlagskipspan, *die Jade Hustlers*, in die 2025 *JSE Investment Challenge*, waar hulle beide die Wes-Kaap se toposisie en 'n nasionale Top 5-plek behaal het.

The victorious Jade Hustlers Team, comprising of Grade 12 learners Imke Nolte, Divan du Toit, Michael Smuts and Juan Basson, has demonstrated exceptional teamwork and investment shrewdness throughout the competition.

Die Handelsvakke Departement is geweldig trots op hierdie Graad 12-span. "Ons leerders se toewyding en passie vir finansiële marknavorsing en beleggingstrategieë is werklik inspirerend," sê die departement. "Hierdie matrikulante het bewys dat harde werk, deeglike marknavorsing, en 'n diep begrip van finansiële beginsels tot uitsonderlike resultate kan lei."

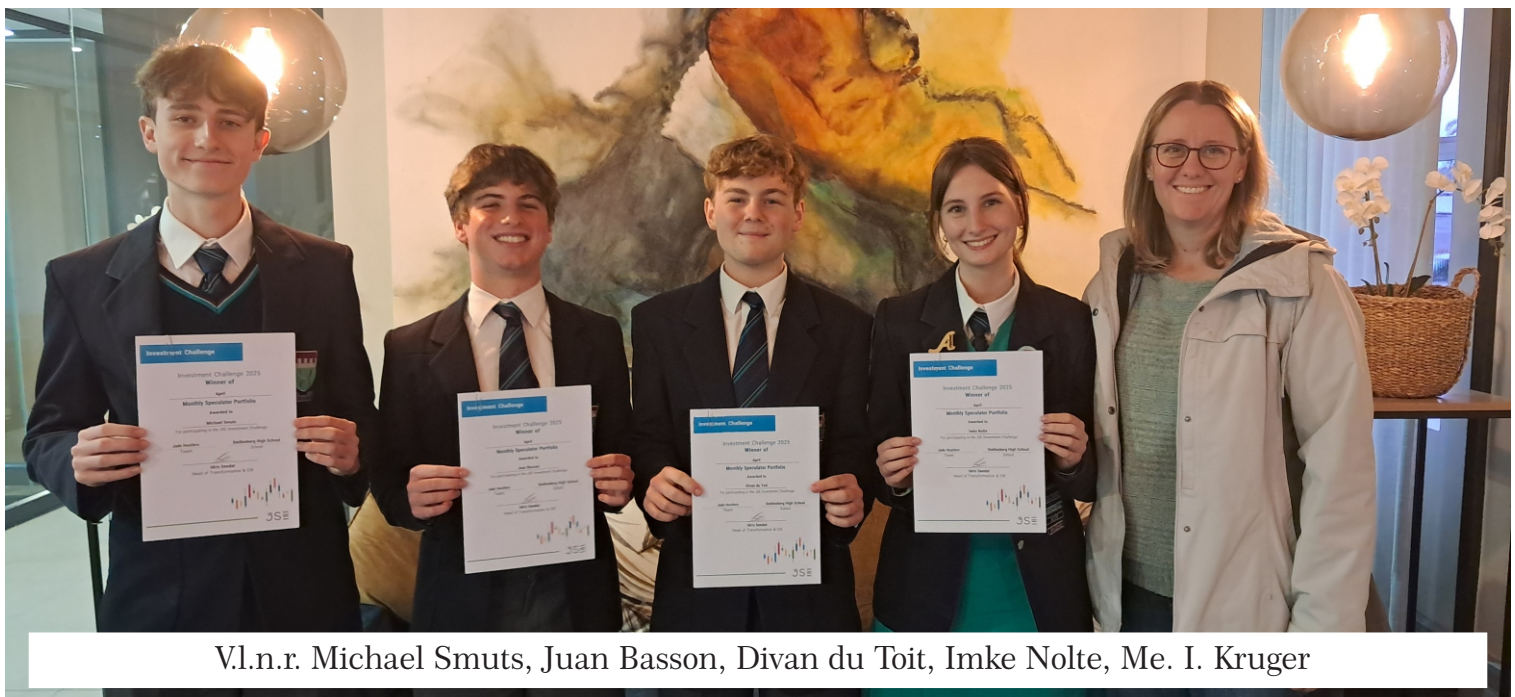

The team excelled among more than 8,800 competing teams nationwide, managing their virtual portfolio of R1,000,000 with remarkable skill, and growing it with more than 20% in merely 6 months. Their strategic approach to investment and consistent trading activities have set a high standard for future Stellenberg participants.

Die span se sukses is veral betekenisvol aangesien hulle hierdie prestasie behaal het terwyl hulle ook die uitdagings van hul matriekjaar moes hanteer. Hul vermoë om akademiese uitnemendheid met praktiese finansiële vaardighede te kombineer, is prysenswaardig.

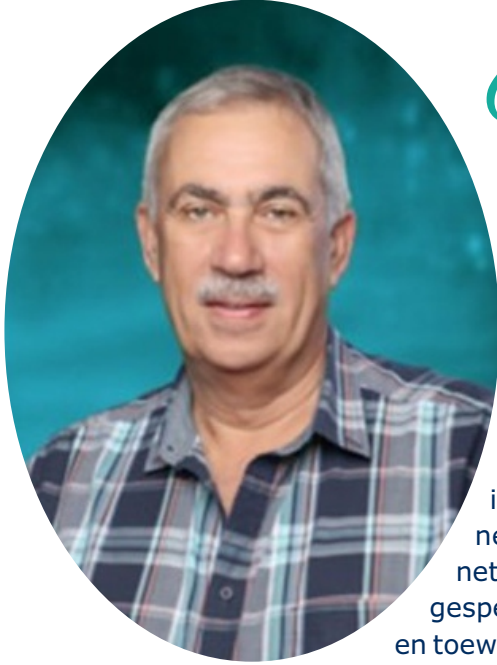

Stellenberg High School entered ten teams in total this year, with the Jade Hustlers leading the way since the very beginning. These Grade 12 students have become role models for younger learners interested in financial markets and investment.

Die *Jade Hustlers* sal die Wes-Kaap en Hoërskool Stellenberg by die nasionale prysuitdeling in Sandton op 17 Oktober verteenwoordig. Die Handelsdepartement beskou hierdie matrikulante se prestasie as 'n inspirasie vir toekomstige deelnemers en 'n bewys van die gehalte onderrig by Stellenberg.

Die skool se sukses in hierdie kompetisie weerspieël nie net die uitnemendheid van ons finansiële onderrigprogram nie, maar ook die toewyding van ons Handelsvakke-onderwysers en die besondere talent van hierdie Graad 12-span. Ons sien uit na 2026!

Jacques Aldrich

3 Maart 1958 – 10 September 2025

Jacques was altyd maar net Jacques. Uniek. Stil. 'n Diep denker. Lojaal. Kreatief.

Jacques was altyd maar net Jacques - van die eerste dag dat hy in 1986 by die Hoërskool Stellenberg begin het, tot hy op die aand van 10 September 2025 ons verlaat het. 'n Ingetoë man met 'n vlymskerp intellek. 'n Kreatiewe man met 'n passie vir musiek. 'n Begaafde man, nie net as musiekonderwyser nie, maar ook as IT-onderwyser. Sy gees was nie net in elke lied wat hy as koormeester afgerig het, elke melodie wat hy gespeel het nie, maar ook in elke IT-probleem wat hy met deursettingsvermoë en toewyding opgelos het.

Vroeg in die 1990's, toe die voortbestaan van musiek as skoolvak in die weegskaal was, het Jacques, ten spyte van 'n vol akademiese program by die skool en sy huislike verpligtinge met twee klein kindertjies, stilweg die feitlik onbekende pad van 'n IT-kwalifikasie aangepak. Hy was van die vroeë 1990's tot in Desember 2023 die skool se eerste IT-onderwyser.

Deur musiek en sy koor het hy studente geleer om te luister, te voel en om hulself op maniere wat woorde nie kon vasvang nie, uit te druk. Deur tegnologie het hy deure vir moontlikhede oopgemaak en jong gemoedere gewys hoe om 'n toekoms wat deur kennis en kodes gevorm word, te bou en te verken.

Jacques Aldrich - 'n verbeeldingryke, veelsydige en gemotiveerde mentor wat die wêreld van musiek en tegnologie met gemak oorbrug het.

Lize Beekman was een van Jacques se oudleerders. Ek glo dat Jacques vir Christna, sy kinders, sy familie, vriende en vir ons, sy oudkollegas, in die woorde van Lize Beekman se lied, Ewewig en Stilte, sou wou groet:

*Had ek 'n laaste kans
om iets te sê voor ek gaan,
sal ek sonder blik of bloos
myself in die oomblik verloor
Dis onbelangrik hoe ons lyk,
wat ons het, die plek of tyd
Liewe Mens, jy moet my glo
Mag jy elke woord hoor
Ek wens vir jou geloof, hoop, liefde, rus
en vrede
en ewewig en stilte
Ewewig en Stilte*
Woorde en musiek: Lize Beekman

Ons betreur die verlies van 'n merkwaardige onderwyser, 'n gekoesterde kollega en 'n ware vriend. Rus in vrede wetende dat jou musiek en wysheid deur ons almal sal voortleef.
